

# STEAK AND STARS

## at the Challenger Air & Space Academy

Join us for an evening of great food and celestial wonders -- and benefit the Challenger Center of Northern Nevada at the same time!

Enjoy professional telescope viewing with our star guides, a sneak peek of a brand new planetarium show from the Houston Museum of Natural Science and a mini-tour of our spaceport/hangar along with steak, salmon, chicken or vegetarian entrees prepared by a classically-trained chef! Hamburgers and hotdogs are available for the under 12 crowd.

It's a stellar event not to be missed!

**What:** Benefit, Star Party & Space Tour

**When:** March 22, 2013

**Where:** Stead Airport, 5975 Alpha Ave.,  
Mount Anderson Street Gate

**Time:** 7 p.m. to 8:30 p.m.
