

# TELESCOPE TRAINING WORKSHOPS

Presented by the Phoenix Astronomical Society

**Telescope Training Workshops are FREE and open to the Public.**

## **WORKSHOPS AT PARADISE VALLEY COMMUNITY COLLEGE (PVCC):**

**Address: 18401 North 32nd Street Phoenix, AZ 85032**

**Indoor portion** of this event is held in G-147 on the PVCC Campus on Thursday night from 7pm to 10pm.

Bring your telescope & with the assistance of our experienced Telescope Instructors, learn to use your telescope by daylight in room G-147. Fliers & other info about telescopes & accessories will be available.

**Outdoor portion** is held either by the Telescope Dome on Campus or in the nearby parking lot.

After you have had some daylight instruction on your telescope, take it outdoors with your same instructor & learn to use it at night. Also set up outdoors will be STAR PARTY for your enjoyment.

**This event is WEATHER PERMITTING & Public RSVP. RSVP is Required for attendance.**

RSVP's can be called in to Terri by 6pm the day of the event at 602-561-5398, or emailed to Terri by 3pm the day of the event at [Events@pasaz.org](mailto:Events@pasaz.org), or you can go to the PAS Forums & sign up by posting your attendance, or you can go to the PAS Calendar date for the event, & RSVP there. **No Public RSVP's cancels this event.**

## **WORKSHOPS AT BOOKMAN'S IN PHOENIX:**

**Address: 8034 N. 19th Ave. Phoenix, AZ, 85021**

**Indoor portion** of this event is held in Bookman's backroom at the times listed below. Data for this event is same as above.

There is no outdoor portion to this event. This event happens so long as it is not actually raining.

## **Here are all the upcoming TELESCOPE TRAINING WORKSHOPS:**

Times below are estimates based on Sky & Telescope's SkyTonight.com, & give data from Sunset to 10pm.

<b>Date:</b>	<b>Object:</b>	<b>Visible time:</b>	<b>Rising Time:</b>	<b>Setting Time:</b>	<b>Notes / Location:</b>
<a href="#">Feb 11, 2010</a>	Sun			06:00 PM	PVCC
