

Event Details:

Thank you so much for your commitment to the 10th Annual Holiday Stroll through Cascades Park on December 15, 2024! Locations of performers/ table presenters are indicated on the attached maps. There will be a decorative sign with your name at your station upon arrival. This will stay up for the remainder of the event. Please scroll through the remainder of the packet for parking and other helpful information.

Event times are 6:00 PM-7:30 PM. **Please arrive no later than 5:30 PM at your location and be ready to start by 6:00 PM.** As indicated previously, we know one and a half hours is a bit to play at once so please take breaks as needed. Tip jars are not permitted at this event. Please remember to play holiday music. Since it is a strolling event, it is acceptable to repeat a holiday set, if needed.

Unloading & Parking:

Please see the parking map that has been included in the packet. I have also made a chart that will provide the parking location that will be most advantageous for unloading. Anyone who needs assistance, please call 850-294-6198.

Check In:

Please check-in upon arrival. We will have a check-in staff inside the park to greet you at your assigned positions to make sure that you have everything you need.

Enjoy! We will be giving away hot chocolate during the event. Performers will be given bottled water at check-in. Thank you again for your participation!

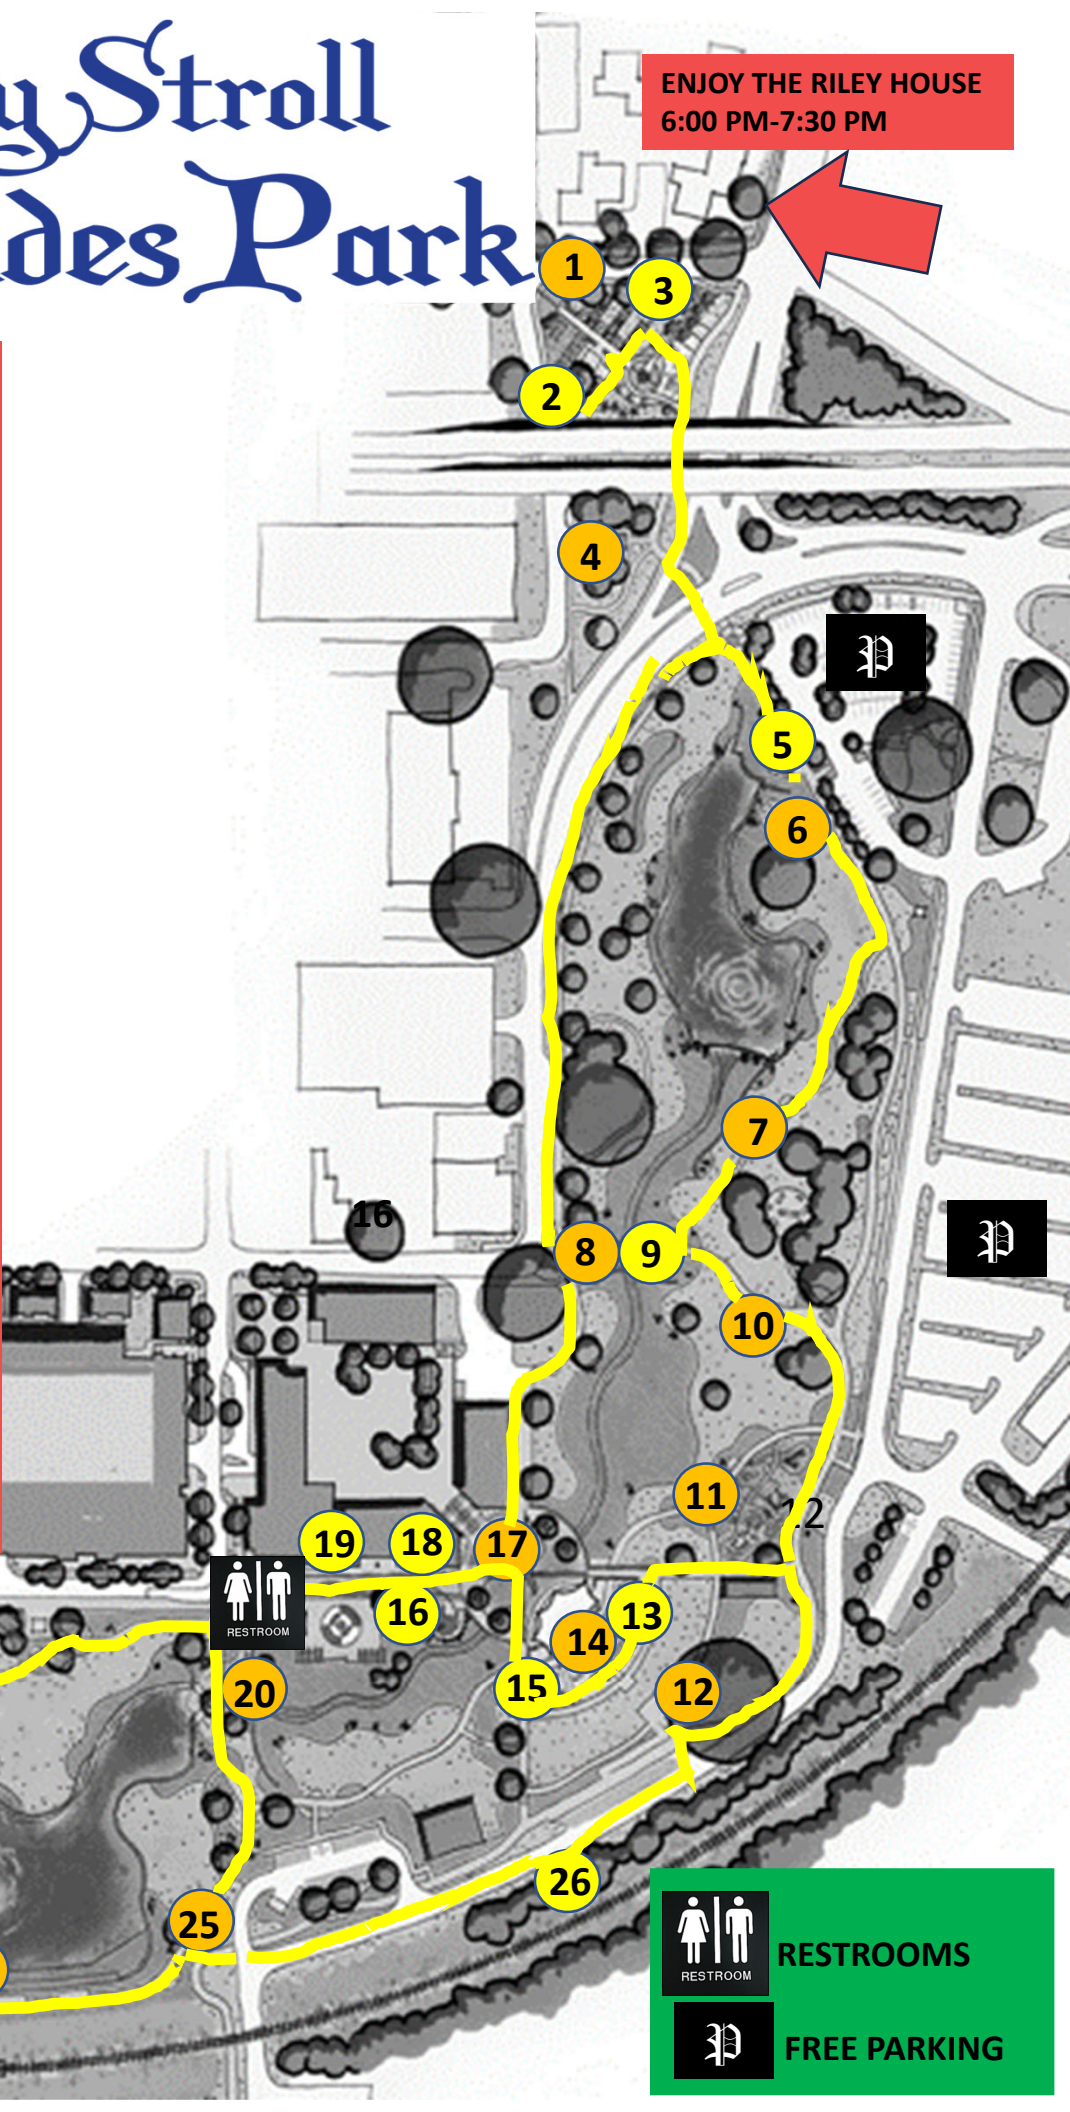

Holiday Stroll through Cascades Park
